

MEET AND GREET WITH OUR VETERANS

**Come and shake a hand or two
and thank the ones who fought for you!**

Hi, my name is Ashley Modafferi and I am 11 years old. I live in the Sachem community and I am a Girl Scout with Troop 244 of Suffolk County. I am working on my Bronze Award which is to make the community aware of the veterans in our community. I want veterans to know that people appreciate them and we are thankful for what they have done in the past and do for us now.

I am having a (Meet and Greet) with the veterans and the community with refreshments and snacks at VFW Post 400.

Please bring any old cell phones that you no longer use so we can help the troops abroad to stay in contact with their loved ones!

Event Date:

Saturday, September 15, 2012

Time:

10:00 AM - 1:00 PM

Location:

VFW Post 400

ONLY YOU CAN MAKE THIS EVENT A SUCCESS

Meet the heroes who are in our community who have sacrificed for us in the past and presently to protect our country. Please come by even for a moment if only to shake a hand and say thank you.

Attending the event will be members of the U.S. Veterans Motorcycle Club, Long Island Chapter. They are a great organization in the continuing support of young vets returning home and an advocate for these young vets at the Northport VA Hospital. These young vets sure could use a couple of creature comforts to help them as they are healing so if you can find it in your heart and you can help. They sure can use things such as deodorant, gum, books, comic books, toothpaste, etc. The motorcycle club bring these items up to Northport on a regular basis.
